Beesley's Waukegan Brewing Company.

It is with pleasure that we call the attention of the trade, and private families, to the fact that owing to the increasing demand for bottled ale and porter of undoubted purity and of the finest quality, we are now bottling the same under our own supervision.

The frequent use of adulterants and substitutes for malt and hops in the manufacture of malt liquors has resulted in an inquiry for an article of domestic manufacture, wholly free from anything of a harmful or deleterious nature, and at a price that would commend its use to all. The failure hitherto to obtain such an article has led consumers to purchase imported goods at a high price.

Therefore we are prepared to place on the market bottled ale and porter unexcelled in quality, equal in every respect to the imported, at a much lower price.

Our goods being manufactured from the choicest barley malt and the best hops in the market, no substitutes whatever being used, and being bottled by ourselves at Waukegan, enables us to offer to our customers an absolute guaranty of their purity and quality.

Families can obtain these goods of all the leading fancy grocers, the principal hotels, restaurants and druggists. **BEESELEY'S WAUKEGAN BREWING CO.**

HENRY E. BRANDT.

People who wish their houses to receive the very best attention this spring should patronize Henry E. Brandt, 446 and 448 Lincoln Avenue. He has the latest styles of wall paper and the very best workmen to put it on. His painters and calciminers are artists and his work in every way is creditable.

For Rheumatism, Stomach, Liver or Kidney troubles Deer Lick Mineral Water has no superior. The following testimonials from well-known physicians and prominent citizens tell a true story: The Medical Standard for January, 1901, says:

"Of the many natural mineral waters on the market we have some from American springs which meet the indications of many diseased conditions, such as dyspepsia, indigestion, constipation, Bright's disease. We wish especially to call attention to the Deer Lick Mineral Water. The Sulphate of Soda is the chief constituent of Carlsbad, Marienbad, Rubinat and Condat waters, and it occurs, associated with much magnesium sulphate in Aesculap, Hunyadi Janos, Friedrichshall and Kissingen waters."

People who desire first-class merchant tailoring will do well to patronize Mr. C. Masters, who has opened an establishment at the southwest corner of Dearborn and Randolph streets. Mr. Masters is one of the most popular as well as one of the best cutters in Chicago, and his success is assured.

THE MANY ADVENTURES OF

Foxy Grandpa!

Including all the merry pictures contained in the two volumes, entitled "Adventures of Foxy Grandpa" and "Further Adventures of Foxy Grandpa."

Mr. Schultze said to me one day at lunch: "What do you think of a series of comic drawings dealing with a grandfather and his two grandsons?" "Let the grandfather be the clever one of the trio. In most of the other cases the young folk have been smarter than the old people upon whom they played their jokes. Let's reverse it."

The next morning he came to my office with sketches for half a dozen series, and with the name "Foxy Grandpa" in his head.

The success of the series in the New York Herald was instantaneous, for who has not heard of "Foxy Grandpa" and "Bunny"?

The jolly old gentleman, dear to grown people as well as children, might almost be called the Mr. Pickwick of comic pictures.
